**SUBAGENT AGREEMENT
(Marketing
Part D Plans to Individuals)**

This SUBAGENT AGREEMENT ("Agreement") is entered into by and between Ritter Insurance Marketing____ ("Company") and _____ ("Subagent"), effective on _____ (the "Effective Date").

WHEREAS, Company is a marketing services organization that has contracted with SilverScript Insurance Company and any other CVS Caremark affiliate offering Part D Plans (together referred to as "SilverScript"). SilverScript Insurance Company is an insurance corporation organized and existing under the laws of the State of Tennessee that is authorized to offer one or more Prescription Drug Plans (Prescription Drug Plans offered by Company are referred to as "Part D Plans") in accordance with Title I of the Medicare Modernization Act of 2003 and its implementing regulations (collectively these laws, regulations, and guidance shall be referred to as "Medicare Part D Rules"). Subagent intends to market said SilverScript Part D Plans under the terms and conditions contained in this Agreement.

WHEREAS, Subagent desires to enter this Agreement with Company to market and solicit sales of the SilverScript Part D Plans that Company is authorized to market,

NOW, THEREFORE, in consideration of the mutual covenants in this Agreement, it is agreed as follows:

1.0 Relationship and Scope of Authority. Subject to the terms of this Agreement, the Subagent:

(a) is authorized to market and sell the SilverScript Part D Plans to individuals in any states in which the Subagent is properly licensed and for only the Part D Plans Company is authorized by SilverScript to solicit, market, and sell (the "Territory"), subject to SilverScript's right to approve or disapprove each sale and to terminate any Subagent's ability to offer, sell or solicit applications for SilverScript's Part D Plans at any time in accordance with the terms of this Agreement;

(b) acknowledges and agrees that, subject to applicable law, SilverScript shall have the right, at all times, to not submit, reject or withdraw any application for SilverScript Part D Plans without specifying cause, and to cancel, refuse to renew, or modify any Part D Plan, in accordance with and pursuant to SilverScript's rights under the agreement between SilverScript and Company. Subagent also acknowledges and agrees that SilverScript may discontinue or withdraw, rewrite, replace or convert any Part D Plan now or hereafter made available for sale and that neither Company nor SilverScript shall incur any liability to Subagent as a result thereof. Subagent's authority hereunder shall be limited to marketing, soliciting, and selling SilverScript Part D plans for Company.

(c) acknowledges all SilverScript obligations herein are subject to applicable laws and regulations, any change in laws or regulations applicable to or impacting the products and services or the Medicare Part D program that would materially change or impact SilverScript's obligations, or action taken by CMS or other governmental authority that materially impacts the ability of SilverScript to fulfill its obligations.

2.0 Compensation.

(a) Subject to provisions of this Agreement, including Section (b) below, Company shall pay to Subagent and Subagent agrees to accept the commissions for Initial and Renewal Enrollments (as such terms are defined by CMS) of eligible beneficiaries (“Commissions”) specified in the Compensation Schedule, attached hereto as **Exhibit 1**, on all business produced by Subagent. The Compensation Schedule for the following coverage year shall be provided to Subagent prior to the Annual Coordinated Election Period (i.e., Open Enrollment) for that coverage year. Subagent shall be solely responsible for paying all expenses incurred by Subagent in performance of this Agreement. Subagent agrees not to cause any enrollee in an existing SilverScript Part D Plan to enroll in any other SilverScript Part D Plan unless it is in the best interests of the enrollee. In the event this Agreement is terminated for cause, Company shall cease paying compensation to Subagent and no further payment shall be due. In the event this Agreement is terminated by the Subagent or terminated by Company without cause, Subagent may be entitled to continued compensation payments from Company provided Subagent meets the requirements specified in Exhibit 1. In order to receive compensation after termination, Subagent acknowledges and agrees that any obligations under this Agreement that are by their nature intended to continue in connection with receiving that compensation shall survive termination of this Agreement. This includes but is not limited to: Section 2; Section 3; Section 4; Section 6; Section 7; Section 8; Section 9; Exhibit 1; and Exhibit 4.

(b) The Compensation Schedule and any and all Commissions payable thereunder for a particular coverage year may be modified by Company in its sole discretion and for any reason, by providing written notice to Subagent at least sixty (60) days prior to the start of the coverage year in question. In addition, the Compensation paid or payable under this Agreement may be modified or limited by Company at any time as necessary to comply with federal or state legal or regulatory requirements or new CMS guidance or interpretations applicable to agents or brokers and/or commission payments made by SilverScript to the Company (collectively “Regulatory Requirements”). Such modifications shall be effective upon the earlier of the date Company notifies Subagent of such modifications or the effective date of Regulatory Requirements, irrespective of whether such date has already passed and/or the Compensation has already been paid.

3.0 Additional Responsibilities and Representations.

Subagent represents and warrants that all information provided in this Agreement and in the Contact Information Sheet, attached hereto as **Exhibit 2**, is true, accurate and complete to the best of Subagent’s knowledge. As a condition to entering into this Agreement, Subagent agrees to fully complete the Contact Information Sheet and provide it to Company and SilverScript. Subagent agrees that references to “SilverScript” in this Agreement should be interpreted to apply to the Part D Plan sponsor or sponsors for which Subagent is authorized to market.

Subagent shall make no representations, warranties or commitments of any type to applicants as to the issuance of a Part D Plan, nor will Subagent incur any liability or debt on behalf of Company or SilverScript.

Subagent shall disclose to the individual beneficiary that Subagent has a relationship with SilverScript, SilverScript is compensating Subagent for marketing the Part D Plans to them, and

Confidential

the terms of the payment that Subagent has negotiated with SilverScript.

Subagent represents and warrants that Subagent has all required licenses, certifications, and/or registrations to perform the services contemplated by this Agreement, including but not limited to current insurance agent license, which is in good standing in the Territory in which the Subagent intends to market, solicit and sell. Subagent agrees that it shall be solely responsible for its activities and that it will indemnify and hold Company and SilverScript harmless with respect to the acts or omissions of Subagent. Subagent shall provide evidence of its licensure to SilverScript upon initial approval, annually, periodically upon request, and in the case of any change to licensure.

Subagent represents and warrants that all information provided under this Agreement shall be consistent with and shall comply with the contractual provisions imposed upon SilverScript under the contract between SilverScript and the Centers for Medicare and Medicaid Services ("CMS"). Subagent will at times furnish the services required of Subagent by this Agreement in a manner that permits SilverScript to comply with such contract with CMS.

Except as disclosed to Company in this Agreement, Subagent represents and warrants that Subagent has neither been, nor will be during the term of this Agreement: (i) listed as debarred, excluded or otherwise ineligible for participation in federal or state health care programs; or (ii) convicted of a felony or misdemeanor, excluding traffic violations. If at any time Subagent becomes aware of any violation of this representation and warranty, Subagent agrees to notify Company and SilverScript in writing immediately.

Subagent hereby agrees to become familiar with and to comply fully with:

- a. The rules, guidelines, regulations, policies, and procedures of Company and SilverScript;
- b. Part D of Title XVII of the Social Security Act and all rules and regulations related to Part D that are from time to time adopted by CMS (collectively, "Part D");
- c. All other federal health care laws (including civil monetary penalty laws);
- d. Applicable state laws, including the insurance laws of each state in which Subagent markets, solicits, and sells on behalf of Company and each state's appointment laws including paying the costs of any required filings with the state;
- e. CMS policies, including CMS' marketing guidelines, as may be amended from time to time;
- f. SilverScript's code of conduct in addition to the code of conduct of any of Subagent's uplines; and
- g. All other applicable laws, regulations, guidelines, or policies.

4.0 Marketing, Enrollment and Training.

Subagent agrees that all marketing activities shall be undertaken by the Subagent in full compliance with the marketing standards provided by Company, CMS requirements, and any other applicable federal or state law or regulation including the CMS Marketing Guidelines and understands that in marketing, soliciting, and selling SilverScript Part D plans, Subagent is not permitted to and will not:

- a. Make any statement, claim, or promise that conflicts with, materially alters, or erroneously expands upon the information contained in CMS-approved materials.
- b. Offer or provide cash or other remuneration as an inducement for enrollment or

Confidential

- otherwise.
- c. Offer gifts or payments as an inducement to enroll in a SilverScript or Company plan or product. Any item offered to potential enrollee must also be of a of nominal value (currently defined as an item worth \$15 or less per item, based on the retail purchase price of the item regardless of the actual cost, and the aggregate retail value of all reward items offered annually may not exceed \$50 in the aggregate on an annual basis per member or potential enrollee per year), and must be offered to all potential enrollees without regard to whether or not the beneficiary enrolls, and must not be in the form of cash or other monetary rebates;
 - d. Provide meals to potential beneficiaries and enrollees, which are prohibited regardless of value.
 - e. Engage in any discriminatory activity such as, for example, attempts to recruit Medicare beneficiaries from higher income areas without making comparable efforts to enroll Medicare beneficiaries from lower income areas.
 - f. Solicit door-to-door for Medicare beneficiaries or through other unsolicited means of direct contact, for example, calling, e-mailing or texting a beneficiary without the beneficiary initiating the contact ("cold calls").
 - g. Engage in activities that could mislead or confuse Medicare beneficiaries, or misrepresent the Part D sponsor or its Part D plan. Neither Agent, nor the Part D organization may claim that it is recommended or endorsed by CMS or Medicare or that CMS or Medicare recommends that the beneficiary enroll in the Part D plan. The Agent may explain that the Part D organization is approved for participation in Medicare;
 - h. Market non-health care related products to prospective enrollees during any MA or Part D sales activity or presentation. This is considered cross-selling and is prohibited.
 - i. Market the Part D Plan and any health care related product during a marketing appointment beyond the scope agreed upon by the beneficiary, and documented by the plan, prior to the appointment (48 hours in advance when practicable). Subagent shall follow all laws and CMS guidance, including, but not limited to Medicare Part D Rules, with respect to Scope of Appointments;
 - j. Market additional health related lines of plan business not identified prior to an in-home appointment without a separate appointment that may not be scheduled until 48 hours after the initial appointment unless the beneficiary asks about another health-related product and signs a new appointment listing that health-related product.
 - k. Distribute marketing materials for which, before expiration of the 45-day period, the PDP Sponsor receives from CMS written notice of disapproval because it is inaccurate or misleading, or misrepresents the PDP Sponsor, its marketing representatives, or CMS.
 - l. Use providers, provider groups, or pharmacies to distribute printed information for beneficiaries to use when comparing the benefits of different Part D plans unless providers, provider groups or pharmacies accept and display materials from all Part D plan sponsors with which the providers, provider groups, or pharmacies contract. The use of publicly available comparison information is permitted if approved by CMS in accordance with the Medicare marketing guidelines.
 - m. Conduct sales presentations or distribute and accept Part D plan enrollment forms in provider offices, pharmacies, or other areas where health care is delivered to individuals, except in the case where such activities are conducted in common areas in health care settings.
 - n. Conduct sales presentations or distribute and accept plan applications at educational events.
 - o. Employ Part D plan names that suggest a plan is not available to all Medicare beneficiaries
 - p. Use a plan name that does not include the plan type. The plan type should be included

Confidential

- at the end of the plan name;
- q. Engage in any other marketing activity prohibited by CMS.

Subagent may access and print on-demand SilverScript approved materials via the SilverScript agent portal ("Agent Portal"). Materials available via the SilverScript Agent Portal include, but are not limited to, Summary of Benefits, enrollment applications, and brochures. Subagent shall distribute marketing materials at its sole cost and expense. Subagent shall use only SilverScript and Company provided, and CMS approved, materials to market SilverScript products to prospective individuals. Subagent shall not advertise or publish any matter or thing concerning SilverScript or its products that is not provided by SilverScript and Company without filing a proposed copy of such material with SilverScript and obtaining approval, signed by an officer of SilverScript. All printed matter and supplies SilverScript and Company furnish (including the intellectual property rights therein) are property of SilverScript and shall be promptly returned to SilverScript; or destroyed upon request or when this Agreement terminates.

For each individual beneficiary electing coverage under a SilverScript Part D Plan, the Subagent shall obtain a completed and signed application for each prospective beneficiary. Subagent shall deliver each completed application to the appropriate upline entity and enter each enrollment in the SilverScript Agent Portal, all in accordance with SilverScript's enrollment instructions, which are attached hereto as **Exhibit 3** and may be modified from time to time at SilverScript's sole discretion.

At Subagent's cost and expense, Subagent shall undergo CMS endorsed or approved annual training and pass the required annual test in accordance with this Agreement, CMS regulations and guidelines, and SilverScript and Company standards. Company shall at its own cost and expense make available to the Subagent the SilverScript Agent Portal for Subagent training and testing purposes.

5.0 Term and Termination. The initial term of this Agreement shall be effective on the Effective Date first above written and, unless otherwise terminated as set forth below, shall continue through the following coverage year (the "Initial Term"). Upon expiration of the Initial Term, this Agreement shall automatically renew for successive one year terms October 1 of each year thereafter unless either party provides written notice to the other party of its decision not to renew at least thirty (30) days prior to the end of each term. This Agreement may also be terminated at any time without cause by Company upon Company providing Subagent with thirty (30) days prior written notice. Subagent acknowledges that SilverScript may terminate Subagent's right to market, solicit and sell SilverScript Part D plans and products as permitted under and subject to SilverScript's agreement with the Company. Should this Agreement not be renewed or terminated for any or no reason, the parties agree to honor the administration, service and continued payment of commissions associated with the policies produced and in force under this Agreement before the effective date of such termination. In addition, Company, in its sole discretion, may terminate this Agreement for "cause" immediately upon mailing written notice to the Subagent's last known address if Subagent, its officers or any of its employees or agents (i) commits any fraud in connection with the duties, services or actions being performed on behalf of the other party under this Agreement; (ii) violates any of the material terms of this Agreement; or (iii) voluntarily or involuntarily dissolves or becomes insolvent or bankrupt, or makes an assignment for the benefit of creditors.

6.0 Records and Reports. Subagent shall maintain, and make available to Company, SilverScript and any appropriate governmental agency, all books and records relating to the Part D Plan, the services provided under this Agreement or those records that may be

Confidential

requested by CMS or a state regulatory agency for the longer of the period required under applicable federal or state law or by CMS.

7.0 Confidential Information. In connection with this Agreement, each party may disclose to the other party certain proprietary or confidential technical and business information, databases, trade secrets, and innovations belonging to the disclosing party (“Confidential Information”). Both during and after the term of this Agreement, Subagent will use diligent efforts to maintain in confidence and use Confidential Information only for the purposes of this Agreement. The proceeding obligations shall not apply to information that (a) has been publicly disclosed through no fault of Subagent, (b) Company agrees in writing may be disclosed, or (c) that either party is required to disclose pursuant to a valid subpoena, judicial or administrative order, or other legal requirement; provided that the party subject to such legal requirement shall give the other party prompt notice of such legal objections to such disclosure. Nothing in this Agreement shall constitute a grant, license, or otherwise provide to the Subagent any proprietary rights, at any time whether during the term of this Agreement or subsequent to its termination. If any party fails to comply with this Section, the infringed party shall be entitled to specific performance including immediate issuance of a temporary restraining order or preliminary injunction enforcing this Agreement, and to judgment for damages (including reasonable attorneys’ fees) caused by the breach, and to any other remedies provided by law.

8.0 Indemnity. Subagent agrees to indemnify Company and SilverScript and their affiliates, shareholders, directors, officers and employees and to hold Company and SilverScript, and their affiliates, shareholders, directors, officers and employees harmless from any and all expenses, liabilities, costs, cause or causes of action and damages, including attorneys fees and costs of litigation, resulting from or growing out of any breach of this Agreement or any related documents or any unauthorized, fraudulent, negligent or wrongful act, omission, statement or representation by Subagent, its officers or any of its employees. This Section shall survive the termination of this Agreement for any reason.

9.0 Confidentiality of Protected Health and Financial Information of Consumers. The Subagent hereby agrees to comply with The Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and The Gramm-Leach Bliley Act of 1999 (“GLB”) and their implementing regulations and with other federal and state laws and regulations controlling the use, disclosure, transmission and storage of health and financial information. Subagent further agrees to the terms and conditions contained in the Sub-Business Associate Agreement, attached hereto as **Exhibit 4.**

10.0 General Provisions. The parties to this Agreement are independent contractors, and have no other legal relationship under or in connection with this Agreement. No term or provision of this Agreement is for the benefit of any person who is not a party hereto and no such party shall have any right or cause of action hereunder.

This Agreement cannot be assigned by any party without the prior written approval of the other parties, which any party may withhold, in its sole discretion. The provisions of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective permitted successors and assigns.

This Agreement constitutes the entire agreement between the parties with respect to the SilverScript Part D Plans, and supersedes any previous written or oral agreements with respect to the Part D Plans. This Agreement shall be amended only by written agreement signed by a duly authorized officer of each of the parties; provided that new Compensation Schedules shall

Confidential

become part of the Agreement in accordance with Section 2 above.

The waiver by any party of any other party's breach or violation of any provisions of this Agreement shall not be construed as a waiver of any subsequent breach or violation, and the waiver by any party of the right to exercise any remedy that it may possess hereunder shall not be construed as a bar to the exercise of such right or remedy by such party upon the occurrence of any subsequent breach or violation. In the event any article, section or provision of this Agreement or related documents is found to be void and unenforceable, the remaining articles, sections and provisions of this Agreement or related documents shall nevertheless be binding upon the parties with the same force and effect as though the void or unenforceable part had not been severed or deleted.

This Agreement shall be governed by and construed in accordance with the laws of the state of Company's domicile, without giving effect to the principles of conflicts of laws thereof. All disputes hereunder shall be brought in the federal and state courts located in the county of the state where the Company is principally domiciled, and the parties hereto hereby consent to jurisdiction and venue in said courts.

All notices, certificates, requests, demands and other communications provided for under this Agreement shall be in writing and shall be (a) personally delivered, (b) sent by first class United States mail, or (c) sent by overnight courier of national reputation, in each case addressed to the party to whom notice is being given at its address as set below or, as to each party, at such other address as may hereafter be designated. All such notices, requests, demands and other communications shall be deemed to have been given on (a) the date received if personally delivered, (b) when deposited in the mail if delivered by mail, or (c) the date sent if sent by overnight courier.

The parties' respective rights and obligations under this Agreement, which by their nature shall survive termination, cancellation, or expiration of this Agreement shall survive.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date first above written.

EXHIBIT 1
Compensation Schedule to the Subagent Agreement

Subject to and as limited by the compensation terms set forth in Section 2 of the Agreement, for Initial and Renewal Enrollments for the 2014 coverage year Company shall pay, and Subagent agrees to accept, the commissions set forth in the 2014 Compensation Schedule Addendum for enrollment and renewal of eligible beneficiaries in a SilverScript Part D plan. Subagent acknowledges that the total compensation paid to Subagent shall be paid in accordance with CMS regulations and CMS implementing guidance regarding the payment of compensation to agents and brokers.

Subagent acknowledges and agrees that the Company is solely responsible for payment of the commissions under this Agreement and SilverScript has no obligation to make payments hereunder.

As required under Part D regulations, any new member enrollment with SilverScript shall be paid as a Renewal Enrollment if the SilverScript member was previously enrolled in a Like Plan Type within the applicable 6 Year Cycle defined by CMS.

For each coverage year, commissions will be paid only for each SilverScript and CMS approved member, to the extent that the member remains enrolled as a SilverScript member. When a beneficiary disenrolls from the plan, or discontinues payment of premiums, during the member's first three (3) months of enrollment, Company will recover all Commissions paid. For any member who disenrolls from the plan, or discontinues payment of premiums, in months four (4) through twelve (12) of the coverage year, Company will recover a pro-rated Commission chargeback for these months in which the beneficiary is not enrolled. Commissions are payable only for a Medicare beneficiary who is enrolled in a SilverScript Part D Plan as a result of the services provided by the Subagent.

Company will pay commissions for Initial Enrollments only after each new enrollee is approved by CMS. Renewal Commissions will be paid by approximately March 1st of each coverage year.

Commissions and the process for payment thereof are subject to and limited by Medicare Part D rules. The parties specifically agree that, if permissible, the amount of commissions will be revised on a pro-rata basis to reflect changes resulting from any such law, regulation, guidance, or revisions or modifications. The obligation to pay commissions shall terminate in the event that CMS ceases payments to SilverScript for the Part D Plans covered under this Agreement. If this Agreement is terminated for cause, then all of Subagent's rights to any compensation shall be immediately terminated and forfeited.

No commissions shall be paid on lapsed enrollees. If a lapsed enrollee is reinstated by Subagent, the commission to be paid to Subagent shall be the same amount as for the renewal of such Part D Plan. Reinstatement commissions are to be determined in accordance with the Commission Schedule in effect at the time of reinstatement. If SilverScript discontinues an existing Part D insurance product in existence as of the Effective Date of this Agreement, any commissions related to the rewriting, replacement, or conversion of one form of Part D Plan to another new SilverScript Part D product (or on surrendered Part D Plans) are not covered by this Agreement but may be mutually determined by Company and Subagent unless required by law to be determined in different manner, including but not limited to the rules for Like Plans.

Renewal commissions for Subagents will continue to be paid for each renewed enrollee if the

Confidential

Subagent remains in compliance with CMS requirements, maintains good standing with SilverScript, and has not otherwise breached this Agreement. "Good standing" shall include a valid license, state appointment, annual training and testing, and other requirements for marketing and payment of compensation, as modified by SilverScript or CMS. Training and testing certification must be completed by December 7 to remain in good standing for renewals in effect the following plan year (*e.g., by December 7, 2014 for renewals for the 2015 plan year.*) Nothing in this Agreement requires SilverScript to contract with the Subagent if the Subagent is no longer contracted with Company. Company shall not pay Subagent commissions for a renewed enrollee if a Subagent is no longer in good standing during the applicable period. Subagent acknowledges and understands that in order to receive renewal commissions, Subagent must continue to abide by the applicable terms of the Agreement even if the Agreement has been terminated. If Company has already paid a commission to the Subagent for a renewed enrollee and the Subagent is later discovered to not be in good standing for the applicable period, then the Subagent shall repay Company the full amount of the renewal commission paid for that period.

Company may furnish Subagent with a periodic statement of Subagent's account and will pay any amount due Subagent hereunder. Upon receipt of such statement the Subagent shall immediately examine it, and if not satisfied as to its accuracy, Subagent shall return such statement to Company with details of any discrepancy therein within thirty (30) days of the date of the statement; otherwise the statement shall be deemed accepted by Subagent as true and correct. The account on the books of Company shall be prima facie evidence of such account for all purposes.

Unless otherwise defined herein, any capitalized terms herein shall have the meaning set forth under Medicare Part D Rules.

EXHIBIT 3
ENROLLMENT INSTRUCTIONS

1. Dating the Receipt of the Enrollment Request: The agent must date all enrollment forms on receipt. If the form is complete on receipt, then the date stamp showing the date of receipt becomes the application date for purposes of submitting the enrollment to CMS. If additional documentation is required to complete the enrollment request, this documentation must be dated on receipt. The date on the last additional documentation required to complete the enrollment request will be the application date for purposes of submitting the enrollment to CMS. This date is the one used for determining the enrollment period and effective date of enrollment (see #11 below).
2. Information Verification: The agent must verify the following:
 - Spelling of the prospective enrollee's complete name;
 - Correct recording of sex;
 - Health Insurance Claim Number; and
 - Date of Birth.

In face-to-face interviews, this verification should be done using the prospective enrollee's Medicare card. For other forms of enrollment (e.g., mail, fax), verification should be done by contacting the prospective enrollee by phone or other means, or by requesting that the prospective enrollee include a copy of his/her Medicare card when mailing in the enrollment request.

3. Enrollment Form Information and Enrollment Process: The Company and its Subagents agree to use and complete SilverScript's enrollment form for enrollments into a SilverScript Part D Plan and agree to adhere to SilverScript instructions with respect to the process for enrollment as well as providing all documents and information necessary to complete an enrollment as determined by SilverScript.
4. Permanent Residence: The agent must confirm that that the prospective enrollee's permanent address is in the plan's service area. If a Post Office Box is given, the agent must contact the prospective enrollee to determine their place of permanent residence, unless the person is homeless. For homeless prospective enrollees, a PO Box, address of a shelter or clinic, or the address where the prospective enrollee receives mail may be given instead of a residential address. If there is a dispute about the prospective enrollee's permanent residence, this must be resolved in accordance with State law.
5. Entitlement to Medicare: The agent should attempt to verify the prospective enrollee's entitlement to Part A and/or enrollment in Part B by reviewing the prospective enrollee's Medicare ID card or other documentation, such as an SSA award letter.
6. Legal Representatives: If someone other than the prospective enrollee signs the enrollment form, the agent must confirm that the person signing has (i) attested that he or she has authority under State law to make the enrollment request on behalf of the prospective enrollee, (ii) attested that a copy of the proof of other authorization required by State law that empowers the individual to effect an enrollment request on behalf of

Confidential

the prospective enrollee (e.g., court-appointed legal guardianship or durable power of attorney) is available upon request by the plan or CMS, and (iii) provided contact information. If the agent is aware that the prospective enrollee has a representative payee designated by SSA to handle the prospective enrollee's finances, the agent should contact the representative payee to determine whether he/she is the appropriate person under State law to sign the enrollment form for the prospective enrollee.

7. Date of Enrollment Form: If the date is not filled in on the enrollment form by the prospective enrollee or their legal representative, the date of receipt that the agent stamps on the enrollment form should be treated as the "signature date" of the request.
8. Helping Fill-Out the Form: If the agent helps the prospective enrollee fill out the enrollment form, then the agent must also sign the form and indicate his/her relationship to the prospective enrollee. Merely pre-populating the form, with the prospective enrollee's name and mailing address (but not phone number) when the prospective enrollee requested that the form be mailed to him/her is not considered helping the prospective enrollee fill out the form, and so does not require that the agent sign the form. Similarly, correcting information on the form after verifying it does not require the agent's signature.
9. Enrollment by Telephone: With prior written approval by SilverScript, Subagents may accept enrollment requests via an incoming (in-bound) telephone call. The following additional guidelines must be followed for telephone enrollments:
 - Enrollment requests may only be accepted from/during an incoming (or inbound) telephone call from a beneficiary;
 - Individuals must be advised that they are completing an enrollment;
 - Each telephonic enrollment request must be recorded and include statements of the individual's agreement to be recorded, required elements necessary to complete the enrollment and a verbal attestation of the intent to enroll. All telephonic enrollment recordings must be maintained per CMS requirements for at least 10 years and sent to SilverScript or the appropriate upline entity in a format and timeline agreed to by SilverScript;
 - Collection of financial information is prohibited at any time during the call; and
 - Telephone enrollments may only be performed pursuant to scripts developed for this purpose by SilverScript that contain the required elements for completing an enrollment request and that have been approved by CMS. SilverScript MUST approve and submit to CMS for approval all telephone enrollment scripts, unless otherwise agreed to in writing by the parties.
10. Correction of Information: The agent should make any necessary corrections to the enrollment form (e.g. if digits are transposed in a phone number) and place his/her initials and the date next to the correction. Alternately, rather than initialing the correction, the agent may attach a separate "correction" sheet that the agent signs and dates, or an electronic record of a similar nature, and this should become part of the enrollment record.
11. Determining Enrollment Period and Effective Date: The agent must determine the type of enrollment period that applies to the prospective enrollee (e.g. by the prospective enrollee's date of birth, Medicare card, a letter from SSA, and the date the completed enrollment form is received), and therefore, the effective date of coverage.

Confidential

There are three valid enrollment periods for which an individual may enroll in a PDP, they are: the Initial Enrollment Period for Part D (“IEP”); the Annual Coordinated Election Period (“AEP”); and Special Enrollment Periods (“SEP”).

The IEP is the period during which an individual is first eligible to enroll in a Part D plan. The beneficiary has a 7-month period that begins 3 months before the month an individual meets the eligibility requirements to enroll in a Medicare D Plan and ends 3 months after the month of eligibility. A beneficiary who was eligible for Medicare prior to age 65 (such as for disability or renal failure) has a second IEP for Part D based on attaining age 65.

The AEP occurs October 15 through December 7 of every year. During this timeframe an individual can enroll in or change his/her plan for an effective date of January 1st of the following year. Individuals are limited to one AEP enrollment choice during this timeframe.

The SEP is the period that an individual can enroll based on special circumstances. Examples of an SEP are:

- Change in residence to a different region;
- Involuntary loss of creditable coverage;
- Dual eligibility;
- Other low income subsidies;
- Institutionalization; and
- MA “open enrollment periods.”

Unless otherwise required by CMS Guidance, verbal confirmation is acceptable from the beneficiary regarding the conditions that make him or her eligible for the SEP and shall be documented as the SEP reason in the application form and in the portal.

In face-to-face or telephone enrollments, the agent may advise the prospective enrollee of the proposed effective date, but must stress that this is only a proposed effective date, and that the prospective enrollee will hear directly from the plan to confirm the actual effective date of enrollment.

12. Multiple Enrollment Periods: If more than one enrollment period applies, the prospective enrollee must be allowed to choose the enrollment period that applies, and therefore, the effective date of coverage (except that the effective date can never be earlier than the month the prospective enrollee is entitled to Medicare Part A and/or enrollment in Part B).
13. Choosing Enrollment Period: If the prospective enrollee does not choose an effective date when more than one enrollment period applies, the agent must contact the prospective enrollee to obtain his/her preference. If the agent is unsuccessful in obtaining the prospective enrollee’s choice, the agent must determine the enrollment period based on the ranking provided by CMS in the Final PDP Guidance on Eligibility, Enrollment and Disenrollment (i.e., first IEP for Part D, then SEP, then AEP).
14. Submitting the hard copy enrollment form: For all enrollments except phone enrollments (see below), Agents MUST send the signed paper copy of the enrollment form directly to

Confidential

SilverScript or to the appropriate upline entity who will then send the copy to SilverScript. Agents must also give a copy of the enrollment form to the beneficiary that they are enrolling into SilverScript. If an enrollment is performed over the phone, a copy of the phone recording MUST be submitted to SilverScript or the appropriate upline entity.

15. Scope of Appointment: Along with the enrollment application, the agent must submit the Scope of Appointment form to SilverScript or the appropriate upline entity in connection with any face-to-face personal/individual marketing appointment including under the following circumstances:
 - In-home sales appointments or personal/individual appointments with an existing member/client in office, coffee shop or other similar location;
 - For appointments with new members/clients (not existing members/clients); and/or
 - When a plan or agent/broker sells more than one type of product.

16. Commissions: To be eligible for commissions, all enrollments must be performed using SilverScript forms and process and must be done by agents who have completed the background check, are licensed and appointed in the State of enrollment and have passed training and certification. In addition, for face to face enrollments, a paper copy of the enrollment and scope of appointment must also be sent to SilverScript or the appropriate upline entity as described in Section 14 and 15 above.

(h) Any Protected Health Information provided by Company, its employees, agents, consultants, Subcontractors or business associates to Sub-Business Associate, or created, obtained, procured, used or accessed by Sub-Business Associate in Company's name or on Company's behalf, shall, as between the parties to this Agreement, at all times be and remain the sole property of Company, and Sub-Business Associate shall not have or obtain any rights therein except as stated herein.

General Instructions

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Ritter and Agent are referred to herein individually as a Party and collectively as the Parties.

WHEREAS, Insurance Company is contracted with the Centers for Medicare & Medicaid Services (“CMS”) to offer Medicare Part D plans (collectively, the “Plans”) to Eligible Medicare Beneficiaries;

WHEREAS, Ritter is contracted with Insurance Company to facilitate the enrollment of Eligible Medicare Beneficiaries into Insurance Company Medicare Products; and,

WHEREAS, Agent desires to solicit, and Ritter desires that Agent so solicit, applications from Eligible Medicare Beneficiaries to enroll in the Plans.

NOW THEREFORE, in consideration of the mutual covenants herein contained and intending to be legally bound hereby, the Parties hereto agree as follows:

General Conditions:

1. By accepting commission payments from Ritter, Agent agrees to all of the General Conditions of this Agreement.
2. Agent agrees to submit a copy of the Scope of Appointment (“SOA”) form and other required materials along with the Enrollment form for all self-generated enrollments. Failure to submit SOA and other required materials will result in loss of commission for that enrollment. Additionally, failure to properly collect and submit a SOA is a violation of the Center for Medicare & Medicaid Services (“CMS”) guidelines that may result in disciplinary action up to, and including, termination. As such, Agent agrees to:
 - (a) Obtain the SOA for any face-to-face sales meeting 48-hours in advance, when applicable. If it is not practicable to obtain the SOA in advance, Agent must document the reason following the applicable Insurance Company and/or CMS guidelines.
 - (b) Ensure the SOA, enrollment application, and all such related materials are complete, accurate, and appropriately signed by the eligible Medicare beneficiaries or his/her authorized representative.
 - (c) Submit SOAs and enrollment applications to Insurance Company immediately but no later than 24 hours upon completion.
3. Agent agrees to allow Ritter and Insurance Company to conduct monitoring activities including Ride Alongs and Secret Shopping activities.
4. Agent agrees to assign any and all commissions related to the enrollment of Eligible Medicare Beneficiaries into Insurance Company plans to Ritter. Ritter shall pay commissions to Agent according to the terms of this Agreement, however, nothing in this Agreement shall be construed to violate the CMS Marketing Guidelines nor shall this Agreement violate the terms and conditions of the Field Marketing Organization Agreement between Ritter and Insurance Company. If there is any conflict between this Agreement and the aforementioned, this Agreement shall be amended to adhere to CMS regulations and to the Field Marketing Organization Agreement terms and conditions.

For the LOAs who have assigned their commission to General Agency, Ritter shall pay General Agency and General Agency’s downline agents shall be compensated by General Agency according to the Commission schedules in the Agreement, unless the downline agent has agreed with General Agency in writing to an alternative compensation methodology or amount in compliance with applicable law. Ritter reserves the right to pay the LOA directly if the General Agency fails to compensate the LOA.

10. If Agent does not promptly repay any "Debit" balances, Agent agrees to provide Ritter with an interest to any commissions due the Agent from any contracts with any insurance company.
11. Agent shall not engage in any prohibited marketing activities and all marketing activities shall be conducted in accordance with Medicare Laws and Regulations and will be pre-approved, in writing by Insurance Company. Agent agrees to strictly comply with Insurance Company's policies and procedures and all applicable federal and state laws, rules and regulations (including but not limited to anti-kickback statues, false claims acts and fraud and abuse statutes and/or regulations) relating to promoting the Medicare Products to Eligible Medicare Beneficiaries. Agent will complete the training required by Insurance Company for the promotion and marketing of the Medicare Products and read and understand the Marketing Guidelines (as defined below) and will comply with all policies therein.
